Property Description

The Count of Ribeira is the latest luxury development to emerge in the heart of Alcântara, one of the areas of Lisbon undergoing significant urban and cultural transformation. With contemporary architecture, elegant lines, and excellent materials, this project stands out for its harmony between comfort, exclusivity, and sophistication.

Comprising four floors distributed across two independent blocks, the Count of Ribeira offers a unique residential collection, designed to meet the highest standards of quality and modern lifestyle.

The development presents a wide variety of typologies with plenty of natural light, ideal for different resident profiles:

T0 and T1 – practical and functional solutions, perfect for investment or for those seeking a pied-à-terre in Lisbon.

T2 and T3 – spacious apartments, oriented towards families or those who prioritize generous areas and comfortable living.

T4 and T5 – large units, with premium finishes and luminous social areas, ideal for those who demand maximum comfort.

T6 Penthouse Duplex – true exclusive residences atop the building, with private terraces, extensive views, and an unparalleled luxury experience.

Every detail has been carefully thought out to enhance the daily well-being of the residents of this development and with excellent finishes, the Count of Ribeira includes private gardens and carefully designed green areas, a gym equipped for the exclusive use of residents, private garage with direct access to the blocks, elegant entrance, and contemporary designed common areas.
Your exclusive retreat in one of the most noble and authentic areas of Lisbon.

Located in Alcântara, next to the Tagus River and just minutes from Lx Factory, Docas, and the riverside area, the development benefits from a vibrant environment, where culture, gastronomy, mobility, and quality of life coexist. Connections to the center of Lisbon, the A5, and public transport ensure maximum convenience.
