Property Description

Magnificent 2+1-bedroom apartment (two suites), spacious and bright, in Marquês de Pombal.

This property was renovated in 2025 and features beautiful hardwood floors, high ceilings, and period architectural elements, creating an unique, classic, and sophisticated atmosphere.
For better organization of your apartment, one of the suites has built-in wardrobes and the second suite has a walk-in closet.

With the installation of new windows, the apartment benefits from excellent thermal and acoustic insulation. Further ensuring your comfort, you can enjoy the Daikirin brand air conditioning on both cold and warm days.

The modern, well-equipped and functional kitchen maintains the aesthetic integrity of the remaining space, providing a perfect balance between the past and the present.

The apartment features a spacious living room and a dining room where you can enjoy events with family and friends.
The property includes two suites and a guest bathroom that can be used as a laundry room already equipped with a washing machine and a dryer.
It also has a balcony where you can enjoy moments outdoors.

Located in the city center, in a prime area of □□Lisbon, with easy access to public transport and a variety of services, this apartment is ideal for those who value charm and comfort in their modern home within a classic city center setting.
