Property Description

4-bedroom apartment — originally 5-bedroom — fully renovated, with five rooms, including a walk-in closet with custom-built high-quality wardrobes. The spacious living room and modern, fully equipped kitchen have direct access to the patio and garden area, creating perfect indoor-outdoor integration.

The property features a full bathroom and a guest WC, both with natural light, and an integrated air filtration system throughout the home, ensuring air is always clean, healthy, and free from humidity or pollutants, significantly enhancing comfort and quality of life. Thermal and acoustic insulation works provide tranquility and comfort, making the environment quiet and energy-efficient.

Located in the Anjos neighborhood, one of the "coolest" in Europe according to Time Out, this apartment combines contemporary design, high-quality finishes, and complete renovation with privacy, comfort, and well-being. A truly unique property that offers a rare opportunity to live with style, authenticity, and quality of life in the heart of Lisbon.
