Property Description

The Villa Infante is a distinguished new residential development, ready to move into, located in the heart of Estrela, between Lapa and the Tapada das Necessidades gardens.

Designed by architect Frederico Valsassina, it combines the rehabilitation of a former palace with the creation of a new contemporary wing, achieving a perfect balance between tradition and modernity.

The apartments, ranging from one to four bedrooms, are defined by their brightness, privacy, and a harmonious connection between indoor and outdoor living—featuring, depending on the unit, balconies, spacious terraces, and in some cases, river views.

Every detail has been carefully considered, with high-quality finishes, private storage, parking, and a range of amenities including a private garden, gym, and concierge service. Your exclusive retreat in one of Lisbon's most noble and authentic neighbourhoods.
