Property Description

4 bedroom villa, with 363 m2 and land of 1,042 m2, fully renovated, in Cascais.

The property offers a versatile space, with 4 large suites, for those looking for a home to live in or invest. This property stands out for its generous size, new condition and privileged location - next to King's College School - ideal for a residential project tailored to your needs.

The villa is very well distributed with the social areas on the ground floor providing its extension to the outdoor areas with large living rooms and spacious kitchen. The large outdoor plot of 1,042 m2 with private garden, swimming pool, outdoor living areas and garage, further enhances comfort and privacy. The new condition of the property guarantees high quality of construction and finishes with the possibility of adapting the rooms to the solar orientation and promoting maximum natural light. It has central heating, underfloor heating in the bathrooms and Bosch appliances.

Located in one of the most prestigious areas of the municipality of Cascais, this villa benefits from proximity to international schools, hospitals and supermarkets, all accessible within walking distance. The excellent public transport network facilitates access to the centre of Cascais, Lisbon and the beaches of the line. By car, Lisbon Airport, shopping centres, golf courses, marinas, tourist and cultural areas are just a few minutes away, allowing you to enjoy the best of the region. The surrounding environment is characterised by security, diversified offer of local commerce, green areas and accessibility, making this property a right choice for those who value tranquillity, exclusivity and quality of life.

This villa in Cascais and Estoril represents a unique opportunity to build or adapt your residential space, in a reference location and with high potential for appreciation.
